Civil Ceremonies & Blessings

We have exceptional facilities on site for Civil Ceremonies and blessings, with a number of complementary rooms available to choose from to cater for your numbers and requirements.

The law has recently changed in relation to Civil Ceremonies outside of a registry Office. A Wedding Venue must now be individually inspected and formally approved for each onsite civil marriage ceremony. We at the Lucan Spa Hotel have experienced inspections for this purpose, and have always received approval for onsite Civil Marriage Ceremonies.

If you would like to hold your civil ceremony with us, you must contact the General Register Office for the name and address of the relevant Registrar/s.
